We were recently handed a new studio cut by the Goth Guitarist Peter Nulton of **The Dirge Carolers**, from out of Massachusetts, titled "*The Dunwich Horror*".

This track is based on the H.P. Lovecraft story of the same name and it does a good job at creating the "uncomfortable eeriness" that Lovecraft's stories can have with a modern sound. Chris Harnois's vocals blend well and his tone is just right to convey the haunting lyrics of the doomed Wilbur Whateley.

The Dirge Carolers don't go over the top to make this cut sound heavy or pound this song into the listener, they keep it simple and keep it creepy and it works!
